*Now Hear This - All SAACNW Members!*

What a great starter run for the season! Even the very light dampness from the sky did not discourage some 60 plus cars, with eager drivers and numerous navigators, from knocking the flat spots out of those stored re-treads! Did do some throttle response training on the tour, on the poker run, then on way home to Roseburg via Hwy 97! Snowed in Bend, also heavier On up-hill side east of Diamond Lake. Nothing sticking on road!

We all had a great time, and being Helen's and my first time on this annual event, were SO impressed we made reservations there for Mothers Day W.E. 2012! Such cordial, congenial, and FUN LOVING people!!

Hope for next year to see more of our club members and of course the usual suspects, i.e., the Jokers and the Bill Jerone bunch! Be sure to bring your best stories!

Best Regards to All / See You all at the next event - I hope!  
s/ Bob & Helen Schulz
